The screenshot shows a search interface for the E&E System. At the top, there is a header bar with the system name and a navigation link. Below the header, there are three input fields for Last name, First name, and Middle name, each with a placeholder and a text input box. To the right of these fields is a search button. Below the input fields are three buttons labeled 'Name', 'SSN', and 'Application'. The main area is titled 'Search results' and shows 5 results. Each result is a row in a table with four columns: Label, Attribute, Attribute, and Date. The results listed are: Smith-Johnson, Margaret June; Smith-Johnson, Mary Alice; Smith-Johnson, Michael Phillip; Smith-Johnson, Morgan Mark; and Smith-Johnson, Murray Clifford. All results have the same attributes and date. At the bottom of the page, there is a note about the design being a concept and not intended for actual use.

Begin collecting an applicant's data to apply to these programs

Comments:

The screenshot shows a web-based application for applying to multiple programs. At the top, it displays the program names: Medicaid (MAGI), SNAP, and WIC. Below this, there are sections for an Authorized representative, Primary individual, Residence address, Mailing address, Contact info, Buying and sharing food, Tax household, People, Income, Expenses, Notes, and Applications.

- Primary individual:** Fields for Person (with a note about being the head of household), Residence address (Street address 1, Street address 2, City, State, ZIP code, County), and Mailing address (checkbox for "Use residence address").
- Buying and sharing food:** Fields for Primary individual (checkboxes for regularly buying or sharing food) and Person 1 (checkbox for buying or sharing food).
- Tax household:** Fields for Person 1 (checkbox for filing taxes with others) and Tax filing (checkbox for filing taxes with others).
- Notes:** A section for administrative notes with a "Post note" button.
- Applications:** A summary table showing application status for Medicaid (MAGI), SNAP, and WIC, with a "Submit 3 Applications" button.

At the bottom, a dark footer bar contains the text: "This is a concept design. It is not intended to be built as currently presented, but it spark discussion about possibilities."

The screenshot displays the 'Multi-program Apply to programs' interface of the E&E System. The top navigation bar shows 'E&E System > Review: 0000387576' and user information 'Susan Phillips | Logout'. The main content area is divided into several sections:

- Authorized representative**: Fields for 'Representative' (Optional) and a checkbox for 'Applicant authorizes someone to act on their behalf.'
- Primary individual**: A table showing a primary individual named Margaret June Smith-Johnson with details like DOB (12/30/1975), SSN (123-45-6789), and System ID (9876543210).
- Residence address**: Fields for Street address 1 (123 Street Name NW), Street address 2 (Apt #B), City (Livonia), State (Michigan), ZIP code (48154), and County (Wayne). A checked checkbox indicates 'Has residency been verified?'.
- Mailing address**: Similar fields for mailing address, including Street address 1 (123 Street Name NW), Street address 2 (Apt #B), City (Livonia), State (Michigan), Year (48154), and a checked checkbox for 'Use residence address'.
- Contact info**: Fields for Phone ((234) 567-8901) and Email (email@domainname.com).
- Buy and share food**: Fields for defining the primary individual's food sharing behavior: 'regularly buys or shares food with people they live with' (selected) or 'does not regularly buy or share food with people they live with'.
- Person 1**: Fields for adding a person who buys or shares food with the primary individual.
- Tax household**: Fields for defining the tax filing status: 'files federal taxes with others' (selected) or 'does not file federal taxes with anybody'.
- Person 1**: Fields for adding a person on the primary individual's federal tax return.
- People**: A section stating 'No people have been added yet.'
- Income**: A section stating 'People must be added before income.'
- Expenses**: A section stating 'People must be added before expenses.'
- Notes**: A section for 'Useful notes' with a note input field and a 'Post note' button. A note states: 'Add a note that will help other workers understand the application. Do not add data that should go above.'
- Applications**: A summary section showing 'The applications are not ready to be submitted. Please complete all the information above.' with a 'Submit 3 Applications' button. Below are three rows for Medicaid (MAGI), SNAP, and WIC, each with an 'Application data incomplete' status and a 'Submit Application' button.

At the bottom of the page, a dark footer bar contains the text: 'This is a concept design. It is not intended to be built as currently presented, but to spark discussion about possibilities.'
